

Who We Are

Founded in 1976, the Scioto County Chapter of the Ohio Genealogical Society is a 501(c)(3) non-profit organization whose purpose is to preserve our local and family history, as well as fostering an interest in those who contributed to establishing Scioto County.

In partnership with the Ohio Genealogical Society we diligently work to collect, preserve, and publish genealogical, historical records and information.

Through engaging meetings, classes, and workshops we provide educational experiences to our members on current genealogy-related topics.
